

Balearean Chapter Meeting

Regional Representative Europe Norbert Ullmann (second from right) traveled to the Balearean Island of Mallorca for four days to conduct a series of meetings, inspections and interviews. He also attended the monthly dinner of the SCI Balearean Chapter, held in Palma, capital city of the Balearean Islands. He utilized the opportunity to speak about all of SCI's activities and to thank the Chapter and its President, Jose Maria Castresana (left) for all the hard work to get the Chapter established.

Mallorca Presidential Meeting

SCI has been invited to participate actively in the Mallorca Big Game Commission and Norbert Ullmann, Reg Rep Europe, has been nominated by Mallorca Presidential Decree as a member of this Commission. Shown after the Decree's announcement in the Presidential Palace in Palma de Mallorca are, from left to right: Pedro Bestard; Catalina Soller, Minister for Environment of the Mallorca Government; Maria Salom, President of the Government of Mallorca; Norbert Ullmann; and Juan Escalas.
