## SCI Central Austria Chapter Measurer Course A Success

The SCI Central Austria Chapter organized its Annual Meeting and Gala Dinner in such a way that an entire day of SCI activities emerged from it. During the morning hours, Norbert Ullmann, Regional Representative Europe, (2nd from right) certified "Top Twenty" trophies of members. After lunch, Ullmann taught an "Official Measurers course," all participants of the same in the photo, followed by the evening events. Ullmann congratulated the Chapter and had special thanks for Chapter President Bernhard Hluszik (5th from left) for a very successful first year of the Central Austrian Chapter!

## Central Hungarian AGM Held Near Budapest

The Central Hungarian Chapter held its Annual General Meeting in the Spa town of Velence, in the outskirts of Budapest. President Gyula Pal (right) welcomed many members and went through the agenda diligently. Regional Representative, Europe, Norbert Ullmann (left) travelled to Hungary and spoke to the Chapter's AGM. He utilized the opportunity to thank President Pal and the entire Chapter for their many projects and hard work. To help Gyula Pal in not losing energy, Ullmann presented him with a personalized decanter filled with "Water of Life" (Schnapps) from the Black Forest.

## Danish Jagt & Outdoor Show

Every two years in the Congress Center of the central Danish city of Odense, the largest Scandinavian hunting show, called Jagt & Outdoor, sees over 20,000 attendees.

One of the largest displays is by the Nordisk Safari Klub (NSK) and its SCI Nordic Safari Club Chapter (NSCC) where memberships are sold, trophy measurements are made and new conservation programs presented and discussed.

The Nordic Safari Club Chapter organized a fundraising dinner and SCI Regional Representative Europe Norbert Ullmann spoke on the history and the activities of SCI, thanking Chapter President Jens Kjaer Knudsen for his dedication in getting the Chapter off and running.

## Expocaza in Santarem, Portugal

Mid-May traditionally all Portuguese hunters gather in the city of Santarem

and attend the EXPOCAZA Hunting Show. The SCI Lusitania Chapter is also present with its own booth to attend to members' needs, hand out information and organize their biggest annual social event: the Gala Dinner and Fundraiser. During the show, Regional Representative Norbert Ullmann scored some very large trophies taken by Portuguese members.
